### Direct from Debbie

I want to thank all of our valued Adventure Club members for their support and patience during these past few weeks while we all work to find a new "normal". We are certainly looking forward to the time when we can begin to offer trips and events again and open our lobby for customer traffic. Due to COVID-19, we have split our staff into two groups, with one group in the bank and the other group working remotely. We switch every week and are also anxiously anticipating when our "family" can be back under the same roof. So many changes for all of us to endure, and we recognize there may be a new normal in how we do business in the weeks and months to come.

When we do open the lobby for business, you will notice a different environment. There will be germ shields at each teller counter, hand sanitizer to be used by customers, and you may be asked some basic questions upon entering to determine the health risks that any customer may present to our employees. These practices have been implemented to keep our staff safe, as well as our customers. Beyond all these changes, you will still have the friendly, knowledgeable staff here to help you with all your requests.

I hope all of you have had the opportunity to try out our new drive-up trailer in the bank parking lot. Our tellers have been the only personal face of the bank for the last several weeks and they have handled that task wonderfully. Make sure to tell them "THANKS" the next time you use the drive-up.

Our construction project is moving along nicely, the old drive-up is torn out and soon you will see the framing for the new drive-up, as well as the frame for connecting our existing building to the old City Hall building. We are excited to see the progress!

Through all this craziness, I think we can all agree that we have taken the little things for granted. Being able to buy cleaning products and toilet paper for instance! Shopping your favorite stores in Spencer, getting your hair cut, going to church, and just being with family and friends. We have found that we must be able to adapt to change, find new ways of doing things and even use different technology than we have used in the past. We want you to know that we miss those simple things as well, and we look forward to the time we can see our customers face to face again.

### Shred Day

Due to our construction, **we will be using the parking lot across the street (to the south) at the Clay County Extension Office** to have our shred day event. The times for this event are **11:00 am until 1:00 pm**. The address is **110 W. 4th Street**. Please watch our website and social media for more details. **There is a 4 bag/box maximum**. Please bring non-perishable food items to be donated to Upper Des Moines Opportunity.

**Reminder: please check the expiration date on your items before donating.**

### "The Music Man"

Cancelled

We have been notified that Chanhassen Dinner Theatre has "gone dark" due to the pandemic virus. Therefore, **we will not be traveling north to see this show**. Everyone that had signed up to go, you will be refunded. If you have any questions, please give us a call.

### Sensational Washington Travel Show

Friday, July 10

**Travel dates for this adventure are April 20 – 25, 2021.** Chris Tilley, a representative from Cruises & Tours Worldwide, will be here to present this exciting trip to Washington and the surrounding area. **This presentation will be held at the Clay County Fair and Events Center beginning at 10:30 am.**

The journey begins with a flight bound for **Seattle, Washington**. Board the deluxe motor coach and travel to

**Skagit Valley**, known for their tulips, orchards, and quaint communities.

The very next morning we will experience their Tulip Festival. Only the Netherlands produces more tulips than the Skagit Valley. We will marvel at the more than 1,500 acres of tulips, hyacinths, iris, and daffodils. Lunch will be included at a local restaurant. The rest of the afternoon is free for you to explore the charming town of **La Conner**.

On day three, we will board the **Chinook**, our splendid private yacht, for an exclusive cruise through the **San Juan Islands**. These beautiful islands are located off the scenic Pacific Northwest coast, north of Seattle. We will search for the wide variety of wildlife that inhabits the area including: Orca, Humpback, and Minke whales, bald eagles, harbor seals, Dall's porpoise, and sea birds. A hearty homemade lunch will be served aboard the Chinook. Our final destination of the day will be either **Orcas Island** or **San Juan Island**, where we will check into our hotel for one night.

And that is only a taste of what this **"Sensational Washington"** trip has to offer. Please plan on attending this travel show to see and learn all about the experience. If you cannot make it to the travel show and are interested, please give us a call and we will be happy to send you the complete itinerary.

**We need your reservation if you plan on attending the travel show.**

### Minnesota Twins vs Los Angeles Dodgers

Wednesday, July 29

At this time, this trip is still a go and we have a few seats left.

Join the group as we travel to Target Field to watch the Minnesota Twins take on the Los Angeles Dodgers. It's always a lot of fun to be at the stadium – watching baseball, eating hot dogs and popcorn, and just the enthusiasm of being there.

**Cost is \$105 per person and is due in full at the time of sign up.** Cost includes: motor coach transportation, motor coach parking, game ticket, driver tip, and Farmers Bank escort. This trip is open to non-members, so don't delay and get signed up today! **The deadline date is July 6.**

### Duluth and the Scenic North Shore

Cancelled

We are sorry to inform you that this trip has been cancelled. Many of the places that were on the visit list have requested that groups stay under ten at a time. We are hoping to add this trip on next year's agenda. Everyone that has signed up will be refunded.

### "Million Dollar Quartet"

Wednesday, August 26

December 4, 1956, a twist of fate brought Elvis Presley, Johnny Cash Jerry Lee Lewis, and Carl Perkins all together at Sun Records for one of the greatest jam sessions ever. This is the Old Log Theatre's most requested show, so they are bringing it back while celebrating their 80th year. Come along and join your Adventure Club as we travel to Excelsior, MN, to the Old Log Theatre. We will enjoy a delicious noon meal and then "rock-n-roll" to the music of yesteryear.

**The cost is \$105 per person and is due in full at the time of sign up.** Cost includes: motor coach transportation, morning snack, noon meal, show ticket, driver tip, and Farmers Bank escort. **The deadline date is July 27.**

### NOTE: Discover Ireland
